

# Jinghong Bath Spouts

## BPIR Declaration

Version: V1

---

### Designated building product: Class 1

---

#### Declaration

Jinghong Pty Ltd has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

#### Product/system

Name	Jinghong Bath Spouts
Identifier	Series JHD, JSP

#### Description

The Jinghong JHD and JSP series wall mount bath spouts are made from DZR brass, designed to meet the AS3718 standard.

These mixers are intended for use in both residential and light commercial settings, compatible with mains pressure water supply systems.

They come with a chrome finish, with some models offering a variety of additional finish options.

---

#### Scope of use

The JHD and JSP series wall mount bath spouts are intended for use with hot & cold water in residential & light commercial applications. Both models are wall mount & have G 1/2" inlets that are compatible with GB 1/2" metallic supply fittings.

---

## Conditions of use

The Jinghong JHD and JSP series wall mount bath spouts must be installed by a registered plumber in accordance with the supplied instructions & in compliance with the relevant requirements of AS/NZS 3500.

The water supply pipes must be flushed thoroughly to remove any debris. In-line water filters must be used. The maximum permitted temperature of water at the outlet is 50 degrees Celsius. This product is cleanable and impervious to moisture — cleaning shall be done in accordance with the supplied cleaning instructions.

---

## Relevant building code clauses

**B2 Durability** — B2.3.1 (c)

**F2 Hazardous building materials** — F2.3.1

**G1 Personal Hygiene** — G1.3.2

**G12 Water Supplies** — G12.3.2, G12.3.5

---

## Contributions to compliance

- |                       |   |
|-----------------------|---|
| <b>B2.3.1(c):</b>     | Per B2/AS1, Durability Requirements of Nominated Building Elements for Plumbing Fixtures, Jinghong JHD, JHX, JFH Bath Spouts have a durability of at least 5 years, when installed and maintained in accordance with our supplied instructions.
